the George Washington

Plum Tree Homes

If you like freedom, elect the George Washington.

It's a spacious, two-story home with lots of chapters on comfort and space and sunlight.

The extravagant master bedroom suite has a luxurious walk-in closet and a built-in dressing vanity. Soft shag carpeting is underfoot everywhere. The kitchen could turn out to be your favorite room: a large, comfortable breakfast area, custom cabinets, oven and range, dishwasher, disposal, and the all-important pantry.

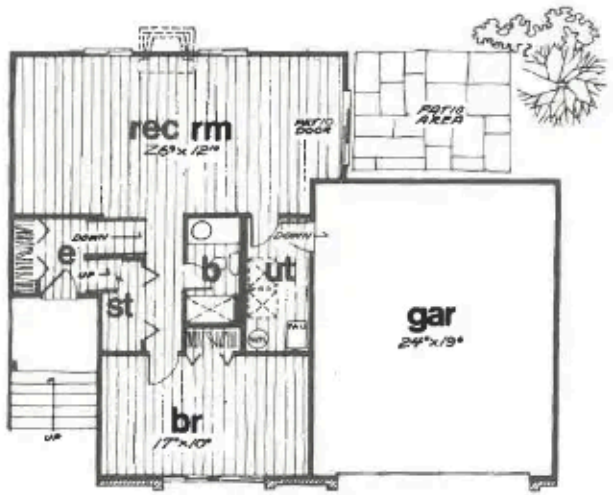

There is a separate laundry room to lighten your life, and a two car garage with space for extra storage. A coach light brightens your paved driveway.

We call it the George Washington. You'll call it perfect.

the John Adams

Spirit is what makes this home so right.

It's a beautiful single family home with an intriguing split level design. Inside, you get a feeling of light and space everywhere. Super soft shag carpeting covers the floors.

The rooms are unconventionally large. Your king-sized master bedroom suite comes with a magnanimous walk-in closet. And the kitchen offers you a vital extra for your family: a large, cheerful breakfast area. Plus custom cabinets, oven and range, dishwasher, disposal and a convenient pantry.

Outside, your 2 car garage has a coach light and a paved driveway.

The Thomas Jefferson. A beautiful way for your family to be independent together.
