TOWNHOUSES AND TOWNHOMES

All the comforts of home ownership, without the inconveniences. That's one of the best things about life in Tahoe Village. You live in a luxurious new home in an exciting, activity-filled community—and you're free to enjoy it full time. No exterior household chores, no bothersome "family handyman" duties, because all exterior work is done for you: repairs and painting; landscaping and lawn care; snow removal; pickup and disposal of refuse; general exterior maintenance. You needn't lift a finger.

Another plus factor: owning in Tahoe Village probably costs no more than renting elsewhere—and may even cost less. Tax-wise, you deduct all your mortgage interest payments, property taxes—and that adds up to a sizeable yearly savings. What's more, as a homeowner, you'll never have the problem of rent increases. And every monthly payment you make is a sound, financial investment in your own future and your own equity.

THE HOMEOWNER'S ASSOCIATION

As an owner in Tahoe Village, you're automatically a member of the Swim and Tennis Club, and the Homeowner's Association. Besides having full access to a wide range of social and recreational facilities, you'll have a voice and vote in shaping the future of the Tahoe Village community.
